EDUCATION

Govt. P. G. College, Tigaon, Faridabad— *BCA*

AUGUST 2017 - SEPTEMBER 2020

I learned here of Computer & Programming Fundamentals, Data Structures, Database Management and Web Designing.

Delhi Institute of Computer Science, Faridabad — *PDSE*

MARCH 2016 - SEPTEMBER 2017

I learned here the basics of computer an programming.Here I developed some basic program in C, C# and PHP.

Govt. Model Sr. Sec. School, Sarai Khwaja — *12th*

- MARCH 2016

Here I learnt basics of Physics,Chemistry and Maths

PROJECTS

Library Management System — *PHP Laravel*
https://laralib.herokuapp.com

A Library Management System with Admin and User Authentication system, where you can manage users (students), books, author, and issue logs. It also has an automatic fine calculation for the late returned book.

Laravel Ecommerce — *PHP Laravel*
https://mi-dukaan.herokuapp.com

Laravel Ecommerce is an app where users can browse, add to cart and order items. This also includes a site management system for admin. Razorpay is used as Payment Gateway.

Ediary— *E-diary Web App*
https://appediary.herokuapp.com

Ediary is a diary taking app where users can log in and write and later can read the entry. This is developed in Laravel and further, I would add some additional features to it.
